

# Zire™ 31

Ease into colour

Introducing a highly personal way to keep your schedule, look up phone numbers, store photos of family and friends and listen to digital music. The small and light Zire™ 31 handheld from palmOne features a bright colour display, photo viewer software and a built-in MP3<sup>1</sup> player, all at a price your budget will love.

### See things clearly on a colour screen

A display that's bright, colourful, and easy to read is exactly what you'll find with the Zire 31 handheld. It's ideal for reading text, seeing photos and playing games.

### Be as organised as you want to be

The Agenda view lets you see your day at a glance. It synchronises with Outlook<sup>2</sup> and offers colour-coded categories so you can track your schedule and those of your family, work, school and more. The ability to attach a photo to a contact means you can always put a face to a name.

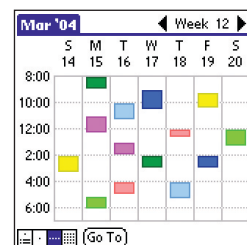

### Play MP3s<sup>1</sup>

Carry your MP3 music with you wherever you go, and listen to them using the speaker or add stereo headphones. You can play MP3s while you're scheduling appointments, adding contacts, or just enjoying a spare moment. With the Zire 31 handheld, your life just sounds better.

### Photos

Carry your favourite photos with you and share them with family and friends.

### Calendar

Colour code your day, week and month schedule for quick, at-a-glance appointment recognition.
